POLICE OF NORMAL: SERVING WITH PRIDE

Jamie Vilos and Rebecca Gearhart*

Department of Anthropology, Illinois Wesleyan University

What more is there to police officers than just traffic regulation? What are the fundamental tools used by police officers to effectively and efficiently keep our cities safe? What is an officer's favorite part of the job? Illustrating the events of a ride-along with an officer of the Normal Police Department in his squad car, this photo essay attempts to answer these questions as well as create a sense of the community to which all the police officers of the NPD belong. The photo essay also shows the officer in roles in which one might not expect from him, but, regardless of expectations, he performs his job, serving with pride.
